The Bicultural News: The BIBI Coordinators will be writing four issues of the "The Bicultural News" this school year. Each issue will focus on topics related to Bilingual/Bicultural education and will provide information about what's happening at ISD and around the country. The first issue will feature articles about the definition of Bilingual/Bicultural education. We need your help with this issue. We want staff, par nts, and students to submit their "vision" of a BIBI school to our office by September 13, 1991. You can put those ideas into writing or submit a video tape of you signing your ideas. A video camera will be set up in the BIBI office during the week of September 9-13. Stop in and make an appointment for taping now! All written and signed ideas will remain anonymous in the newsletter.

Thanks for your help. We look forward to your ideas!
